"Let's Get it Done", Darrell Ward

"Travelling to Nova Scotia and being the Convoy Marshall for the 2016 Convoy for Special Olympics Nova Scotia was an important cause for Darrell. The day prior to his accident he and our team had a conversation about how excited he was to travel to Eastern Canada for his first time to meet his fans and the athletes. We knew that Darrell would want us to follow through on his commitment to his fans and this event. When we talked to our team, we weren't surprised that everyone was on-board to make this tribute a success in his memory. Special thanks goes to Diesel Spec for their helping us bring this all together", says Bob Stanton, Darrell Ward's manager. TEAM Darrell Ward have many great things planned including a memorial banner, the Darrell Ward Giving Back Award and they have set up a pledge page for fans to donate to <http://bit.ly/2c1D5At>
