*****PLEASE KEEP IN MIND*****

Our LETR partners have asked if we could be cautious of the horn blowing where you see officers stationed at traffic intersections. They are doing lots of communications to each other on their radios to prepare for your arrival and the excessive noise at these points makes it very difficult to hear where they must advance to when needed. THANK YOU!

We look forward to seeing you on Saturday Sept 22nd! If you have any questions, please feel free to contact Anne Marie Shannon (902) 429-2266 x 2 or email amshannon@sportnovascotia.ca
