# **WORLD'S LARGEST TRUCK CONVOY**

In support of Special Olympics Nova Scotia

## **2026 Sponsorship Proposal**

## We Invite You to Join Us!

On **Saturday, October 3rd**, truckers from Nova Scotia, New Brunswick, and PEI will unite with our partners in Law Enforcement (LETR) to support Special Olympics Nova Scotia. We invite you to join us for a day of celebration and to support our athletes and programs, enriching the lives of Nova Scotians with intellectual disability through sport.

Our goal is to raise more than \$150,000 through the generosity of sponsors and with the support of over 200 truckers.

## What is the World's Largest Truck Convoy?

The World's Largest Truck Convoy is an international, one-day celebration by the trucking industry to raise funds for, and showcase awareness of, their support of Special Olympics athletes. This international movement incorporates more than 12,000 trucks and athletes in 24 states and five provinces. Truckers throughout North America have joined to raise awareness and funds for Special Olympics athletes and change attitudes toward people with intellectual disabilities. The Nova Scotia leg of the event will see more than 200 trucks travel through the major streets of Halifax and area. We are very proud to say that the Nova Scotia Truck Convoy has grown to be its largest single event in North America!

## Our Reach

Our Big Rigs bring out the Big Hearts in everyone! Our event runs an integrated media campaign that captures print, TV, radio, web, and social media. Industry and community publications offer local coverage to those interested in their community and specifically, the trucking sector. Our partners include: LETR supporters (RCMP, HRP, Vehicle Compliance, and DND Shearwater), the Nova Scotia Motorcycle Club, and more than 70 transportation companies.

The public embrace the event and we see thousands along the Convoy route cheering on the drivers. The impact on our Special Olympics athletes and programs is immeasurable!
